

Procedures for Schools to Verify Student Information for those not found in ABC's Database

If the address is not in the ABC's database, then the school must send an email for verification to ABC.

Email must include the following information:

- ❖ Parent Name
- ❖ Phone Number
- ❖ Physical Address (Current)
- ❖ First two letters of the student's last name
- ❖ School Name
- ❖ School District

Send email to either of the two email addresses below.

info@abcstudents.org

dtidd@ctcnet.us

The parent should receive a phone call within the following days from a ABC for Students representative.
